The Wow Factor

"Finding Your Way is a powerful message, seasoned with tears and laughter, and will change lives for the better. If you're looking for a path to find your way, this is it."

JERRY HAAS, PROFESSIONAL GOLFER

PGA TOUR

"This inspiring message comes out of the mind and heart of a truly remarkable individual and addresses an enormous need in our society – how to find your way out of addiction and find meaning and fulfillment in your life. Dave Marley is a rare sort who pulls back the curtain and tackles the topic of substance abuse and shows how to turn chaos into hope."

DARRYL S. INABA, PHARM.D, PRESIDENT

CNS PRODUCTIONS

"Dave Marley differs from most self-help speakers and authors on at least three counts. First, he has experienced what others can only talk about. Second, Dave is passionate and speaks from his heart. Third, he provides practical suggestions for improving one's life that are easy to follow. Altogether, this makes Finding Your Way a message everyone should hear."

DAVE MORRIS, MD

"A very, very incisive and unconventional message. Anyone wishing success can profit from this presentation."
